

FLEX Day Choice Card

LIFE Prep School Grade 2

Students and Families: Enjoy your Flexible Learning Day! Your goal is to choose one activity under each category while you are not at school today. Please circle each activity that you do. Teachers and specialists will check email during 11am and 12 pm during the school day to answer questions and provide guidance. Below is your child's teacher contact information. Your Choice Card activities will be discussed in class within three days of the Flex Learning Day.

Student's Name _____

Literacy	Math	Science/Social Studies	Movement	Creative Thinking
Make as many words as you can using the letters in: snowflake	Find something to tally. Then make a bar graph.	Check the temperature outside in the morning, afternoon, and evening.	Dance for 15 minutes Ex. GoNoodle, YouTube	Create a comic strip. Include drawings and speech bubbles.
Snuggle up with a book and list 4 character traits about one of the characters.	How many ways can you make \$1.00 with pennies, nickels, dimes, and quarters?	Draw a map of your bedroom and include a key!	If it's safe, go outside and build a snowman.	If it's safe to go outside, create a snow sculpture and share a picture of it with your teacher.
Write a letter to your teacher telling them about your snow day. You can email it too!	Practice math facts.	Measure one cup of water. Place it outside to time how long it takes to turn from liquid to solid.	Walk the perimeter of a room and count the steps. P = _____	Play a family favorite game. Ex. board game, dice, cards
Make a blanket tent and read a book inside it.	Sort objects or skip count by 2s, 5s, 10s.	Find another place in the world that has warmer weather than Lakeville and explain why it is warmer.	Do 15 of each: - Jumping jacks - Push-ups - Sit-ups - Ski jumps	Design and/or make a mobile.
Use your spelling words to create a word search. Ask a family member or friend to solve it!	Write 2 story problems and show your strategy to solve them.	Talk with a family member about what school was like when they were your age.	Choose your own movement activity!	Build a bridge that is strong and sturdy. How much weight does it hold? Improve it.

Please reflect upon your Choice Card activities and share one highlight from your Flexible Learning Day.
